1. Child will receive 3 verbal followed by reminders of Kid Zone Rules.
2. Child will be placed in Time Out.
3. Parent will be called to Kid Zone to deal with child's behavior.
4. Kid Zone Staff will request parent to remove child from Kid Zone during that session.
5. Kid Zone Director will present documentation on child's continuous behavior issues and parent will be asked to find outside childcare in replacement of Kid Zone.

INFANTS UNDER 24 MONTHS:

Your baby's safety is our number one priority. When you first bring in your baby, a Kid Zone staff member will have you fill out a baby sheet. This additional information helps us know how to best care for your child.
